

Printing from Clicker Book Templates:

1. Go to **File, Print**
2. In the Print window click on the word “Grid” and select the words “All grids in this sequence”

3. This will print all the pages in the template you used to setup your book.
4. If you want to limit the number of pages that print to the ones that have text &

pictures then in the lower part of the Print Window you click on

Preview

5. Wait a few minutes while the **Preview** application opens the book.
6. Using **Preview**, print the book and limit the pages to the ones you want. e.g.
